Early Learning

## Bring joyful play to the preschool day

## Introducing Highlights Preschool With a Purpose

As a preschool educator, you work hard to create high-quality learning environments where teachers and students thrive and parents feel supported.

Highlights is here to help you succeed. For 75 years, we've been dedicated to helping families raise children to become their best selves. Now, we're bringing that mission to the early childhood classroom with **Highlights Preschool With a Purpose**, a new curriculum that simplifies lesson planning.

## Simplify the school day

Highlights Preschool With a Purpose is a **new full 10-month curriculum** for children ages 3 to 5.

Highlights Preschool With a Purpose includes everything center directors and teachers need to plan each school month, week and day – delivered right to their doorstep.

The curriculum's child-led learning activities prioritize play with a purpose, helping your preschool develop kids' curiosity, creativity, caring, and confidence. Teachers and kids alike will recognize familiar Highlights puzzles, games and other fun activities that they already know and enjoy.

## Explore your benefits

**Suits all teachers:** Hands-on materials can be quickly adapted by teachers of all experience levels.

**Saves time:** Planning materials help teachers map out the week in a flash, freeing up more time to focus on students.

**Makes customizing easy:** Lesson plans and activities are easily adapted to each child's learning readiness and interests.

**Connects school to home:** Newsletters and weekly lesson recaps help get caregivers at home involved in the fun.

# What you'll receive:

*Makes  
classroom  
setup easy.*

## Starter kit:

Includes a quick start guide, classroom welcome guide, teacher weekly planner, hangable planning pocket chart, books for the classroom library, and much more.

*Just open  
and go.*

## 10 monthly collection kits:

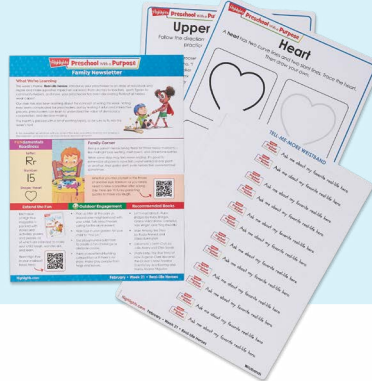

Weekly materials are neatly organized in portable boxes, with everything teachers need to plan the school day. Includes materials for circle time, learning centers, and parent communications.

*Complimentary  
1-year free  
access  
(\$600 value).*

## Digital planner:

Makes lesson planning and team coordination a snap for busy teachers and center directors. Includes options to create custom classroom content.

**Try it for  
free today!**

Get a glimpse into a week of preschool curriculum and see how easy it is to get your center's classroom set up and running smoothly.

## The curriculum covers:

- **Core foundational skills**, including literacy and reading, letters, numbers, shapes, math, science, and much more.
- **Lessons and activities that develop the whole child**, including critical thinking and reasoning, social-emotional learning, creativity and imagination, and community and culture.

## We're here to help you succeed

With your expertise and a little help from Highlights, you'll be even further on your way to building a trusted school environment that kids love and parents support.
