What is Preschool With a Purpose?

Highlights' core preschool curriculum features ready-to-go printed materials that can be quickly adapted by teachers of all experience levels.

Designed with educators, for educators, it's easy to use, flexible, saves time, and is built to last for years.

What does the curriculum include?

A Starter Kit for easy classroom setup and implementation.

10 Monthly Learning Collection Kits for quick access to everything teachers need for all parts of the school day.

A convenient **digital planner option** that makes lesson planning and team coordination a snap!

Dive into the Benefits

Save time with planning materials designed to help teachers map out the week in a flash.

Easy-to-use curriculum for teachers of all experience levels fits seamlessly into half- or full-day preschool schedules.

Flexible lesson plans and activities can be tailored to each child's learning readiness and interests.

Trustworthy content is backed by Highlights' 75 years of experience in child-led learning, is **research based, standards aligned**, and always age appropriate.

"We have been completely impressed on how detailed and well thought out this curriculum is. The parents were impressed and welcomed the home connection"
— Debbie Lee, Learning Tree Preschool

"We tried this out with a brand-new teacher and seasoned teacher. Both teachers found the curriculum user friendly. Overall, high quality material, easy to use, creative, and interactive."
— Denise Alioto, Enchanted Play Infant & Preschool center
